Mon.Architectural complex that is located on January 28th Ave., between 11th and 15th, Artemisa municipality, at 22 ° 48 '38 "North Latitude and 82 ° 45' 14" West Longitude", Artemisa province. National Monument.

Type: Funeral construction. The mausoleum is a construction of historical values, representative of the clandestine struggles and the Pre-revolutionary stage for the epic of Moncada. It is architecturally structured in different sections: the ceremonial square, the main cube-shaped monument with stained glass windows, the mortuary chamber, the interior circulation tunnel and two exhibition halls. In the tunnel, by means of a ceramic mural made by the artist Evelio Lacourt, a historical panorama of the main events that make up the tradition of struggle of the Cuban people is offered.
