

This Friday, the Technological University of Havana, José Antonio Echeverría (Cujae), reported that all those interested in enrolling in the 2021-2022 academic year in any of the races, in the modality of course by encounters, must formalize their application on the 15 to November 19, 2021 before the General Secretariat, in the lower theater of the Faculty of Architecture.

He communicated that registrations must request a maximum of five races ordered according to their preferences.

In addition, they must present an original and a photocopy of the title that accredits the twelfth grade level, two passport-type photos and the withdrawal from studies, if at any time they were enrolled in higher education.

According to the note published on the Cujae website, when the number of places to be offered for each career is less than the demand, an instrument that will measure knowledge of mathematics and Spanish will be applied to all interested parties with the aim of ordering applicants for the granting of careers.

He adds that for those who in their first option are opting for a career in which the offer is higher than the demand, the career will be awarded directly.

The institution highlighted that a number of additional places will be offered for Cujae workers interested in enrolling any of the offered careers.

Meanwhile, they explain that at the time of formalizing the request, each interested party will be informed of the relationship of mathematics and Spanish content to be measured in the instrument that will be applied on December 21, 2021, at 9:00 a.m., at the facilities of the Cujae.

For those who wish to opt for a second career, they add that it will be possible as long as there are vacancies, and the link of the career with the work activity carried out by the interested parties and the affinity of the career taken with the one requested will be taken into account.

In addition, at the time of registration they must present an original and a copy of the university graduate degree (verified at their university), two passport-type photos and a document that proves their employment relationship

The plan of places offered by Cujae for the courses of the course by encounters will be published at the address www.cujae.edu.cu and in the General Secretariat of the university, in the week of November 8 to 12, 2021, reported that house of higher studies.
